

REQUEST FOR APPLICATIONS

BOARD OF DIRECTORS - BODY BRAVE

Body Brave is currently seeking members to join its Board of Directors (the “Board”).

Body Brave is a non-profit organization located in Hamilton, Ontario which has a Canada-wide reach. As a leader driving change, Body Brave provides accessible eating disorder treatment and support, as well as advancing community training and education.

The Board plays an active role in developing the strategic plan, the annual budget, and setting the direction and objectives of the Organization.

For more information about Body Brave, please visit the website www.bodybrave.ca

Experience and Attributes

The Board is seeking volunteer leaders and creative thinkers to help shepherd the organization while it continues its current programs and embarks on expansion for the future. As such, the Board is seeking at least one new member with a legal background. Body Brave invites qualified candidates to apply to the Nominations Committee of the Board [HERE](#).

Qualified individuals will have many of the following attributes and expertise:

- Governance
- Community affiliations
- Fundraising experience
- Board leadership experience
- Not-for-profit experience
- Business and finance management
- Strategic planning
- Experience in legal matters (LLB designation an asset)
- Time to commit to approximately one board meeting and two committee meetings per month, all as required. (approximately 4-5 hours per month)

Application Process

Individuals who are interested in taking on an exciting volunteer board position in Hamilton, Ontario (meeting virtually), are invited to apply. Board members will not receive financial compensation. We thank all applicants for their interest; however only those selected for an interview will be personally contacted.

Body Brave is an equal opportunity employer. We encourage Board applications from all qualified persons including persons with disabilities, applicants who identify as members of the BIPOC communities, and persons across the spectrum of sexual orientation and gender identities.
